A D V E R T I S E M E N T .

☞ In submitting our Catalogue of VEGETABLE SEEDS to the public it is only necessary to state that our stock has been selected from the best sources. Our seed is *new* and of the best quality; having been raised by responsible growers in whom we have perfect confidence. We feel it to be *our own interest* to supply the *best articles* the market affords, at *fair prices*;—to enable us so to do we shall use our best endeavors to guard ourselves and the public against spurious or inferior seeds. Nothing shall be sent out from our store but what we have good reason to believe is pure and of the best quality.

We shall import from the best European houses such seeds as cannot be raised successfully in the United States.

All kinds of Fruit and Ornamental Trees, Evergreens, Shrubs, Grape Vines, Honey-suckles, Roses, Greenhouse Plants, &c., will be furnished to order from any of the following Establishments,—executed at their prices, and delivered in Boston free of any expense;—Messrs. WINSHIP, of Brighton; WILLIAM KENRICK, of Newton; JOHN A. KENRICK, do.; SAMUEL POND, of Cambridgeport; ROBERT MANNING, of Salem.

Orders will also be received for all the other Nurserymen and Florists in the United States, Catalogues of which may be seen at our store.

We have an extensive assortment of Grass and Flower Seeds.—Herbaceous and Greenhouse Plants.—Dahlias—all the new and splendid varieties.—Tulips, Hyacinths, Narcissus, Crocus, Lilies, Ranunculus, Jonquilles, Pæonies, Gladiolus, Snowdrops, Tiger Flower, Oxalis, Iris, Tuberose, &c. &c.

BOOKS.—Agricultural, Horticultural, Botanical, and Gardening Books.

HORTICULTURAL TOOLS.—Spades, Rakes, Syringes, Scissors, Trowels, Budding Knives, Pruning Saws, Garden Reels and Lines, and other useful articles for the Garden and Nursery.
